LEARNING FROM THE CLASS

PMP signifies that you speak and understand the global language of project management and connects you to a community of professionals, organizations and experts worldwide.

The PMP Role Delineation states that candidates for the PMP certification:

- Perform their duties under general supervision and are responsible for all aspects of the project for the life of the project
- Lead and direct cross-functional teams to deliver projects within the constraints of schedule, budget, and scope
- Demonstrate sufficient knowledge and experience to appropriately apply a methodology to projects that have reasonably well-defined requirements and deliverables

BENEFITS OF TRAINING

Learn about the Project phases, Project life cycle, Project stakeholders, key general management skills and the social-economic-environmental influences

Learn about facilitating processes of Quality, Human Resources, Communication, Risk, Procurement and Stakeholder Management

Learn how to use the PMBOK® Guide to prepare for the examination
